

ST. JUDE CENTER PARK CENTRAL

HOMELESS COVID QUARANTINE PROGRAM

The program is aimed at providing temporary housing for eligible individuals needing to quarantine for 10-14 days and unable to return home due to situations (such as an immunocompromised relative, elderly parents, etc.). During the quarantine stay, individuals will be provided three meals a day and basic onsite support to address emergencies. Individuals must exit the program upon quarantine completion.

**Please note submission of application does not guarantee eligibility or an offer of assistance.*

ELIGIBILITY CRITERIA

- + Individuals who are 18 or older
- + Individuals testing positive for COVID-19 or have evidence of being exposed to COVID-19 Individuals residing in Dallas County and in various municipalities
- + Individuals who have passed a background check as a part of the application process
- + Individuals who are currently or about to be homeless
- + Individuals with non-complex medical/social conditions (see detailed conditions below) Individuals who cannot quarantine at home

****St. Jude Center is a non-smoking facility**

Non-Complex Individuals who:

- + Are ambulatory
- + Do not require medical equipment, such as ventilator or in-person care and/or medical attention on a 24/7 basis
